The 1968 "Rocket" represents for every student a glimpse of a memorable year. We sincerely hope that this book will make the entire student body proud of their school.

Without the co-operation of many people, this book would not be possible. We sincerely thank the Administration, the Faculty, the student body, Mr. Howard Rummel, photographer; and the business and professional men of Reese and the surrounding area. We are especially grateful for Mr. Kenneth Drake's welcome assistance.

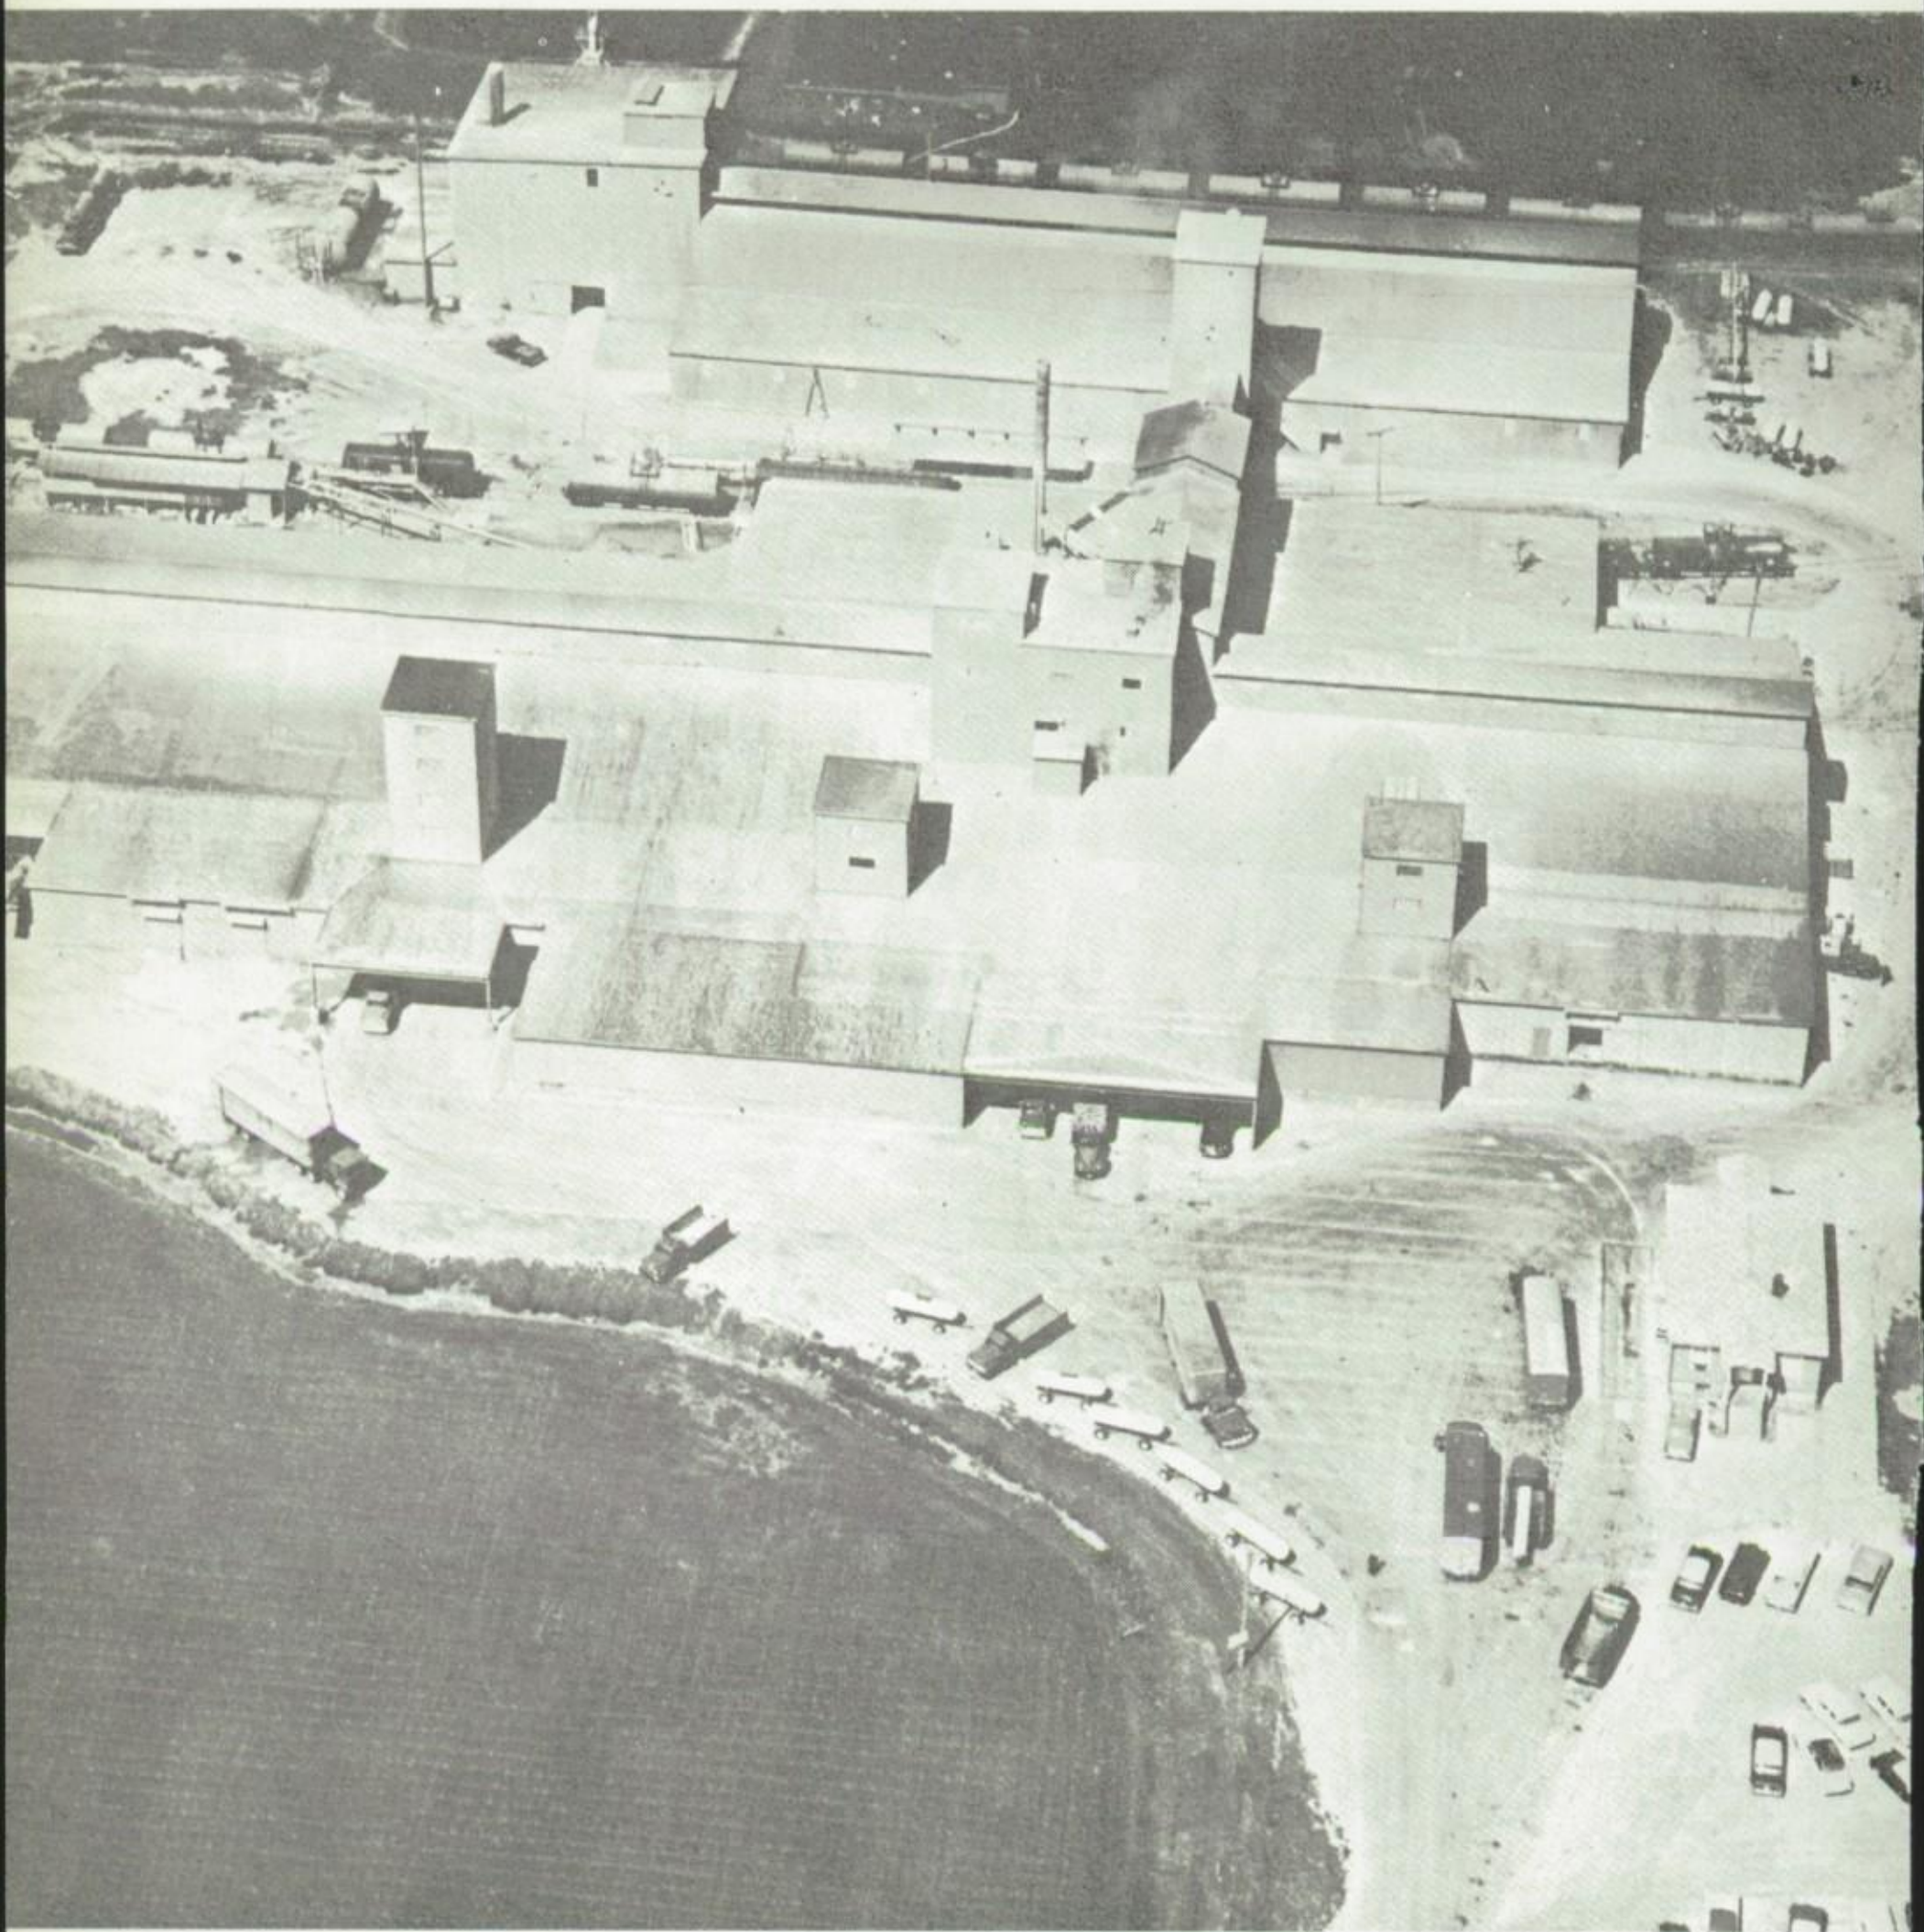

Our greatest thanks go to the Yearbook staff and to our advisors, Mrs. Potts and Miss Leach, for their helping us to meet the demands of producing this yearbook.
